

# September's Upscale

Please send us positive/negative comments or great ideas you would love to see implemented to: [feedback@SeptembersUpscale.com](mailto:feedback@SeptembersUpscale.com)

We hope you join us every day we are open for our 8PM "Toast to Life!"

It is a simple moment each day we are open to celebrate the positive things in each of our lives! A moment that we allow our negative thoughts & problems to drift away. We hope this moment invigorates all of you and motivates you to chase your dreams or celebrate your accomplishments. Finally, it is an opportunity to strike up a conversation with other patrons joining us at the time! Feel free to say your favorite toast out loud. Such as September herself, who's favorite toast to life saying is; "Siempre Viva!"

At approximately 9PM, (and occasionally every hour on the hour) the waitress & mixologist will raise a glass & will invite everyone to Toast to Life, every patron is encouraged at that moment to raise their glass in toast. It is that simple! Please join us in this short & important tradition!

Thank you for joining us at September's! Omaha's newest icon!
